disc jockey entertainment

- High energy, interactive motivational entertainers
- Professional MC / hosts that can conduct your event
- Exciting games and contests
- All request music format
- Over 100,000 digital song titles
- You can be a **STAR** with our karaoke night
- If you are not 100% happy, it will be absolutely free!

With Red Entertainment you have total freedom to choose your entertainment style. Whether you require a high energy approach, something a little more conservative or a combination of various styles, we can handle it. Whichever you decide, your disc jockey will work closely with you to plan the perfect entertainment and music style that best suits your needs. Red Entertainment is committed to your events success. We have gained an excellent reputation for delivering the very best entertainment services suiting your taste, style, and budget. Our interactive DJ's pride themselves in bringing joy, laughter, dancing and entertainment to thousands of people a year. We understand the importance of having an experienced disc jockey with a professional appearance, new equipment, and a reliable back-up system on site. Our disc jockeys are equipped with an extensive music repertoire stemming from the 1940's to today's top 40 hits on CD.

Composing an effective event demands versatile skills. It's only natural to align yourself with partners that complement your abilities. Red Entertainment is that partner. Our production packages are stress free, efficient and budget oriented. You will find that our staff is very friendly and accommodating, "your wish is our command". They will work with you from concept development to a flawless on-site execution of your plans. Our main focus is to get your message the attention it deserves, transforming your audience from mere onlookers to active participants. We have an excellent inventory of A/V and lighting equipment that you and your guest can enjoy. Whether your event requires a standard overhead projector and screen to a cutting edge multimedia presentation, you can rely on us. Let us pamper you at your next event, we will look after all of the details allowing you to be a stress free professional.
